NEWSLETTER – 2015/2016

Update from the SPSA

It has been a busy year for the SPSA (St. Paul's School Association) we've run a number of fun events The Christmas Fayre, the Sport Day Tea Tent and now we are in the process of organising the Family Fun Evening. It's always a great event, with the emphasis on fun there is lots to do, Bouncy castles, games, bottle stall, BBQ and plenty more. Thank you to the parents that help out at our events as we couldn't run them without you. We'll be sending out a request shortly to let you know what you can get involved with, please try and help if you can, feedback from helpers is always good and it's a great way to meet and chat with other parents.

A big thank you to all those who donated cakes and biscuits to the Sports Day Tea tent, we had a great response and the cakes were delicious. Thank you to the SPSA committee members and parents that helped in setting up, running the tea tent and packing away at the end of the day when everyone went home. In selling these donated cakes, tea, coffee and water we made a total of £190. This will be put towards our many projects in school that benefit the children.

EY Trip to London

We were delighted to contribute towards the Early Years trip to the National History Museum in London ensuring they had a puppet show during their visit. We also funded replacement matting for the Early Years outside areas.

KS1 Outside spaces

You will have seen the new picnic benches in the Infants playground that have been funded by the SPSA. The children love the bright colours and now have somewhere to sit and chat at playtimes. Members of Staff have also been using them to work with small groups outside in this lovely weather.

The 'Temple' has been removed from the Infant Playground. It had become unsafe to use so the SPSA are looking to contribute towards a new covered outside learning area for the children.

Get involved

We are a small committee and we warmly welcome new members. You don't need to have a specific role but you can join as a general committee member to offer your support, ideas and enthusiasm. Of course, if you would be interested in taking up a specific role then we'd love to hear from you. If you would like to know more please get in touch with the office and they can give you our contact details, or come along to one of our meetings advertised in the School newsletter.

**See you all at Family Fun
evening on 1st July!
