

TILEHURST **Schoolwear**.CO.UK

20 HILDENS DRIVE, TILEHURST, READING RG31 5HU

0118 327 1060

Our shop is open from the 15th June and all throughout Summer and we are adhering to social distancing so when you arrive you will not be able to try on clothing and please only bring members of your family who need uniform.

We are trying to keep things as simple as

possible for shopping safely for School uniform.

We understand how hard it is to get the sizing right so we will be able to advise you on the sizes needed. If you need to exchange any items, we will do so without any issue. Once items are exchanged, we will be quarantining all items for 72 hours as the Government are advising.

Or you can **order online** and get

10% off your order

(no code required)

We are also offering the option for exchanges to be made directly to your home. We will just ask you to send an email and let us know

what you need to swap and we will arrange a time and date to come to your home and exchange.
