

Weeks 1 and 2 (2.11.2020 – 13.11.2020)

These weeks we are looking at the writing genre for Playscripts.

In class we will be identify features of a plyascript and looking at examples of playscripts in class.

We will be supporting children to plan, draft and write their own playscript on roman entertainment. We will be linking writing to our topic and the focus will be on Chariot racing or a Gladiator battle. If your child is more engaged with another theme behind their playscript please feel free to use an alternative topic to support your child's writing.

We have attached some resources we will use in class. Please feel free to use these at home where appropriate.

We would love to see any writing your child completes at home once they return to school.

Please also encourage your child to complete their comprehension homework each week as comprehension revision.
