

*Science - Home Learning - WB 16<sup>th</sup> November*

- *Recap the materials they learnt in the last lesson. What sorts of things are made from which materials? Why do they think we use certain materials for certain jobs? (Why are houses not just made of glass or just of bricks) Watch the video on BBC Bitesize <https://www.bbc.co.uk/bitesize/topics/zrsgk7/articles/z9pgcdm>*

- *Look at powerpoint.*

- *Complete worksheet.*

*Year 1 - complete the 2 stars sheet - fill in the spaces about the objects.*

*Year 2 - complete the 2 stars worksheet and then add some of their own on the 3 stars worksheet, using the first sheet as a guide.*

- *Walk around house and look at different objects - take pictures and label.*

- *Plenary - Why would they not make a teapot out of chocolate?*
