

Writing Task

This week we are looking at performance poetry. The Children in school are working in groups to memorize and perform one of Hilaire Belloc's poems so there is not a formal writing lesson this week. Your child could learn part of one of the poems, record themselves reciting the poem and send in their recording to share with the class.

There are many audio versions of Belloc's Cautionary tales on utube to listen to, this is a link to one.
