## Your New School Lunch Ordering & Payments System is Now Live!

ISS Education has recently upgraded our school meals ordering and payments website. The time has come for your school to move over to the new system – hurray! We just need you to please spare a few minutes to register your account and place meal orders.

To begin, please visit [parents.feedinghungryminds.co.uk](https://parents.feedinghungryminds.co.uk) and setup your account 

 There will be videos available on the **help** section of the website if you get stuck. Below are a few pointers on how to get started.

All children in Reception and Years 1 and 2 are eligible for free school meals, as are children whose families are in receipt of certain benefits. If this applies to your child/children, you don't need to add money to your account.

We've made it easier to order and pay so the process is much quicker!

-  Includes an automatic registration and password reset process
-  Has a shopping basket function to track meal selections
-  Makes it easy to add children to an account
-  Enables easy printing of meal plans
-  Allows meals to be ordered and cancelled on the same day
