

Weekly plan

- Learn 10 spellings and write sentences to show understanding of the words
- Reading comprehension
- Grammar-

Writing Task

This week we are continuing to look at performance poetry. The children in school are working in pairs to write a modern-day version of a Cautionary Tale in the style of Hilaire Belloc's poems.

Themes could include the child who is obsessed with a mobile phone, computer game etc, the child who over uses hair product or never washes etc.

Here is a link to one such poem:
