

## Superheroes through History

- *Research a real life superhero of your choice. Think about people who have helped changed the world through their work, lifestyle, etc. It could be a footballer like Marcus Rashford, or an activist like Greta Thunberg or an unsung hero like a policeman, NHS worker or fireman.*
- *Present your findings, either as a video, poster, booklet, powerpoint.*
- *There is a powerpoint of child heroes to give you some ideas.*

## Challenge

- *Create a card to say thank you. Include why you think they are a superhero.*
