

KS1 Maths – WB 7.12.20

Only 3 lessons in school this week.

Monday

Y2 – Practise making exact amounts in different ways with coins. Eg find 5 different ways to make 20p / 50p / 35p / £1.

Y1 – Recognise and find numbers on a 100 square. Could use <https://www.primarygames.co.uk/pg2/splat/splatsq100.html>

Tuesday

Assessment

Thursday – Practise subtraction

Y1 – Numbers within 20.

Y2 – Subtract a 2-digit number from another 2-digit number

If more work needed, practise counting money and making amounts in different ways.
