

Topic and English

Letter to parents Weeks 1 beginning 6.01.2021

This Term children will be introduced to our new topic of Anglo Saxons and Vikings!

If children were in school, they would be developing an initial understanding of who the Anglo-Saxons were and when they came to Britain. The following websites with interactive videos and activities can be used at home to support children with this.

[Who were the Anglo-Saxons? - BBC Bitesize](#)

[When did the Anglo-Saxons come to Britain? - BBC Bitesize](#)

If children were in school, they would complete a Comprehension activity and contextualise the Anglo-Saxon period by creating a timeline of the history of Britain, including the Roman invasion which we studied last term. They would also act as archaeologists and investigate ancient artifacts from the Anglo-Saxons. Resources for these activities have been shared online however we understand that not all families will be able to access these and it is up to each family to decide what activities and tasks work best for them.
