### Miss Townley's Class Maths Homework

Week given– These are some of the things we will be looking at in our Maths set this week. Here are some questions for you to practise at home and return next Monday.

**Solve these missing number problems. You may want to use a number line to help you to count on.**

$34 + \underline{\quad} = 57$

$16 + \underline{\quad} + 3 = 27$

$134 = 100 + \underline{\quad} + 14$

$59 + \underline{\quad} = 83$

$12 + \underline{\quad} + 7 = 23$

$152 = 120 + \underline{\quad} + 2$

**Use the column subtraction method to solve:**

You can find the method in your homework book or use websites to help remind you.
