

This is what the KS2 children at St Paul's say about Art.....

Art makes me feel relaxed and happy!

Art lets me show my creative side and I love it!

I love art as it's fun and I can be as creative as I want.

I like it because when I practise drawing and painting, I get better at it.

I love art because no one can tell you it's wrong or right- it's your own picture

Art really helps me use my imagination to create beautiful images.

The teachers show us how to draw better and we get to look at lots of different artists and their paintings.

In art, you can really bring things to life.
