

I like French because my sister used to learn French and I learn French at home.

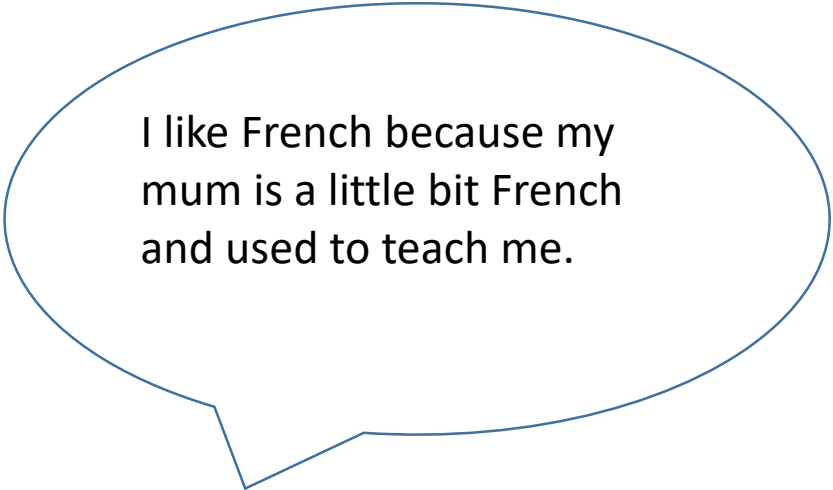

I like French because it's quite helpful if you go to France so you can speak it.

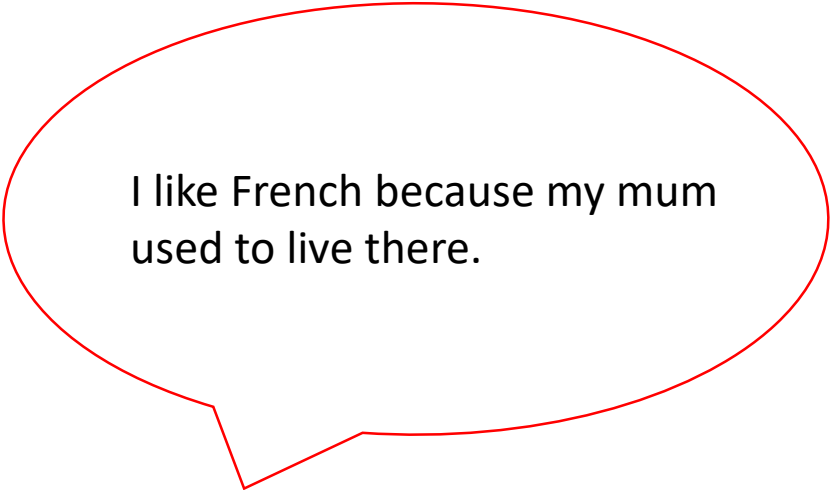

I like French because we are learning about their language and food.

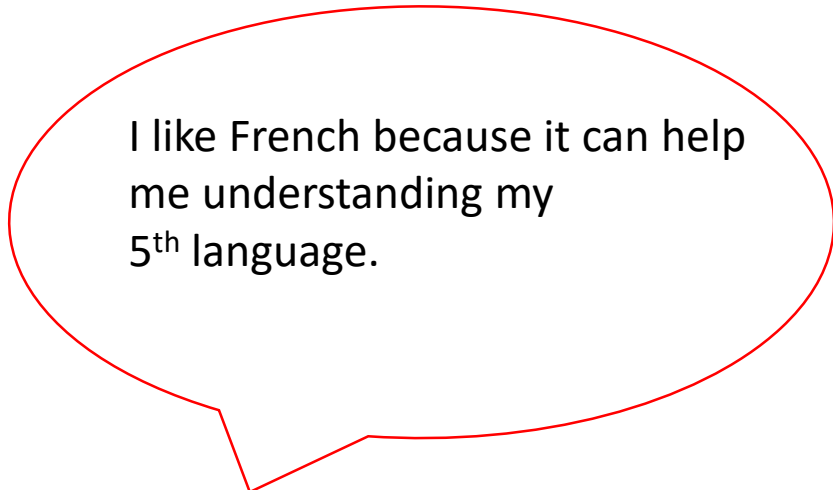

French helps me learn a different language.

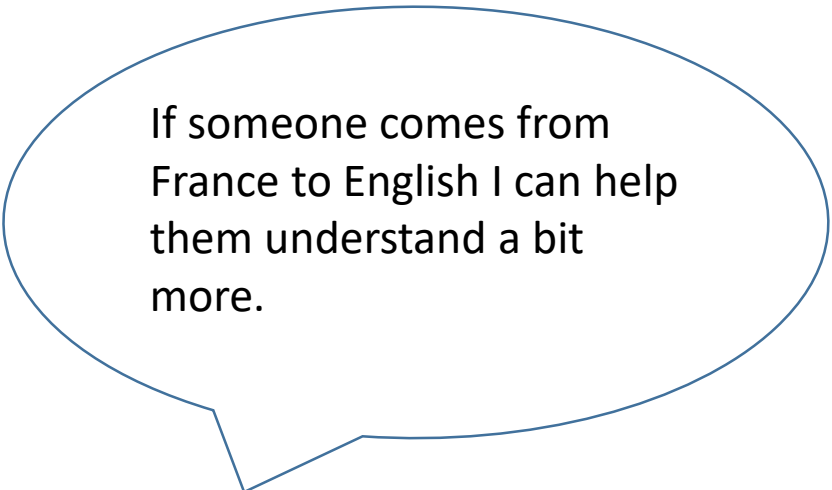

I like French because my mum is a little bit French and used to teach me.

I like French because my mum used to live there.

I like French because it can help me understanding my 5th language.

If someone comes from France to English I can help them understand a bit more.
