

I like French because we can learn another language. I enjoy counting and playing the 'Lapin' game

Eugene

I like learning how to speak French and the numbers. I like that we have fun and increase our knowledge.

Laura

I like learning a new language. They are fun and we learn new things!

Nikhil

I like that French isn't rushed and if I don't understand something, I know it will be repeated in the next lesson.

Sophia

Learning a new language  
because it is fun!  
Charlie

I love French because it is really  
fun to learn a different  
language. I think it is important,  
if I go to France, to speak their  
language. Scarlett

I like French because it is similar to  
Italian. I enjoy that Mrs Hughes makes it  
interesting and she tells us the  
important things we need  
Isabella.

I like French because we get to  
play fun games. I like doing  
Maths in French and learning  
the numbers.
