

"I liked word because I learned how to type on the laptop."

(Year 3)

"I liked the lesson on internet safety. I learned you have to always get permission from an adult." (Year 4)

"I don't get much chance to use the laptop at home so I am really happy that I get to do it in school." (Year 4)

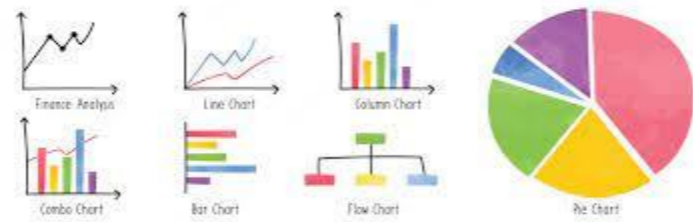

"We learned about excel today and made charts and used different font sizes." (Year 4)

## Computing Pupil Voice

"I enjoyed scratch and would like to do more challenging programmes." (Year 5)

"We recently had to search temperatures in different countries and that was really fun." (Year 4)

"I really enjoyed working on PowerPoint when we researched famous computing heroes and created PowerPoint ourselves. The best part was when we had to present it to the whole class." (Year 6)
