I like Geography because
we get to learn about
the world and we learned
about explorers.

I like Geography because
we travel to different
places to learn about
them!

I like geography because you
can learn about places like Rome.

LKS2

I like geography because we get to find out about ~~local~~ of different countries and find out about them and learn about different events that happen in these countries and who got involved.

One of my favourite topics of Geography was about Egypt in year 3 and learned about Tutankhamun. In year 4 (now) we have learned about the Romans, and now we are learning about the Anglo-Saxons.

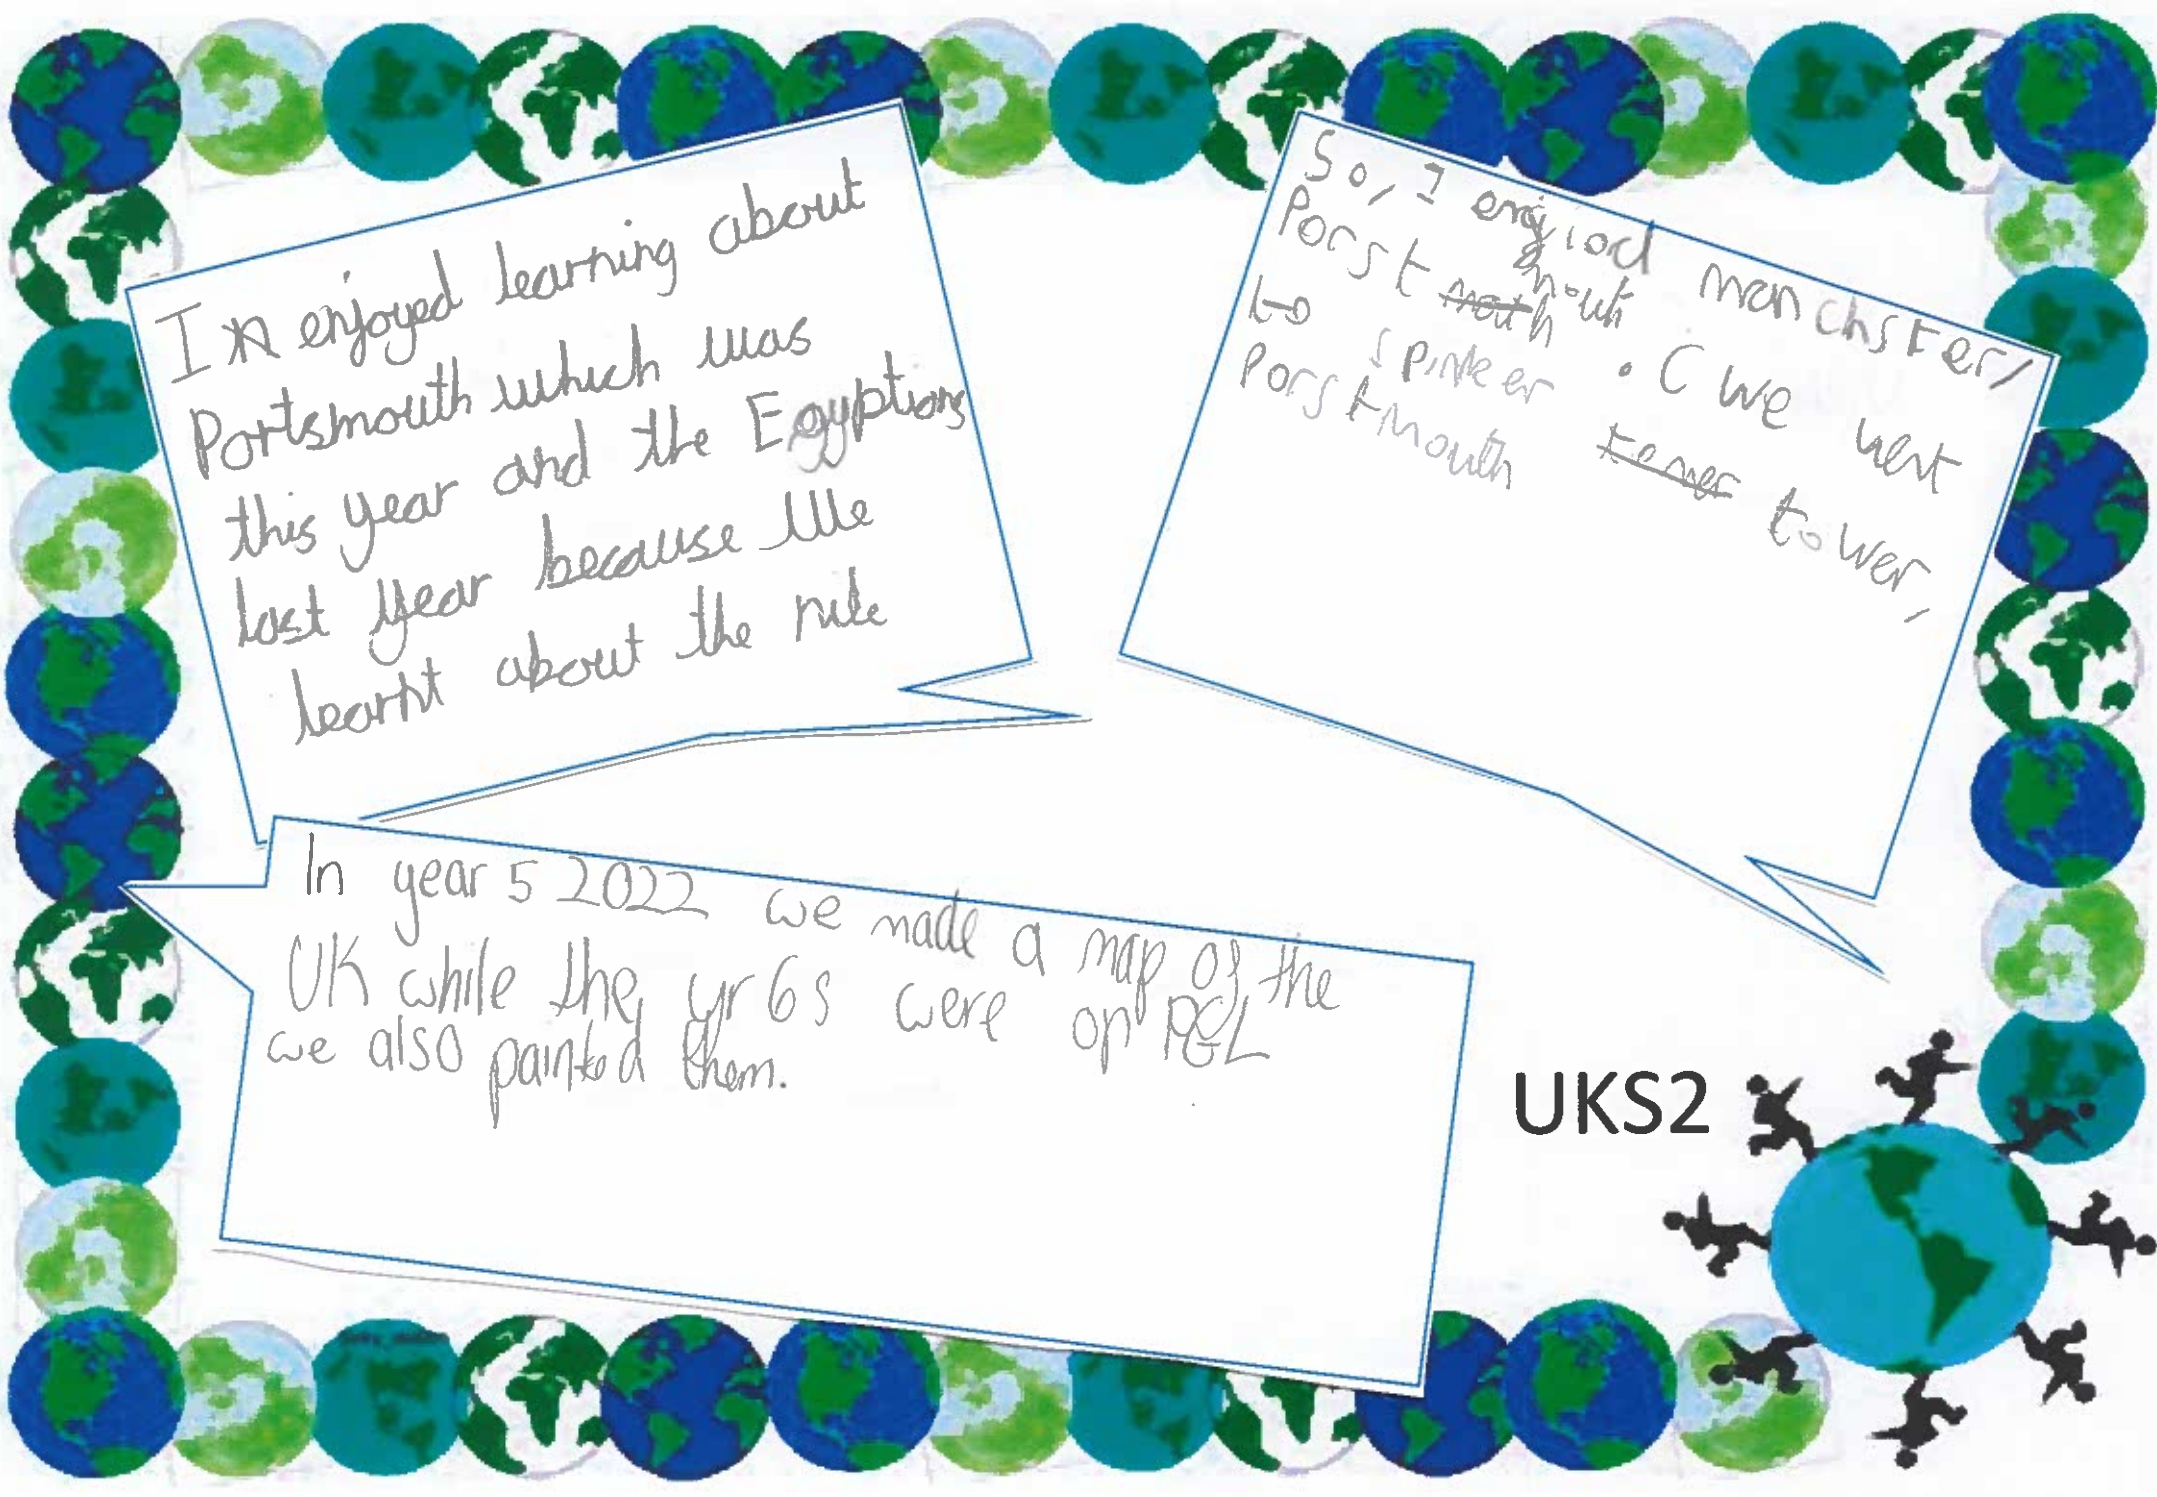

I like Geography cause I like to know about different countries and the world and that is why I like Geography.
