# WHY WE USE TAPESTRY?

- It creates a **two** way communication between us (the EYFS team) and you (the parents and carers).
- We can upload flexible media meaning you can see pictures of your child's learning at school.
- Greater opportunities to **extend** your child's learning at home.

# ADVANTAGES OF TAPESTRY

- Tapestry has the facility to email parents whenever a new observation is added to their child's Learning Journey to keep you up-to-date with what your child has been learning about in school
- **Parents can add their own observations** to share progress and milestones achieved at home. We encourage you to do this in order for us to see what they are capable of at home, park, holidays, etc.

# HOW DOES IT WORK?

- Provides each child with their own online journal
- Staff can upload photos and videos to record achievements.
- It is accessed via the android/iOS app or the Tapestry website.
- Parents can view their child's journal on mobile devices and on their home computers and can make observations of their own using a secure login system
- It enables you to comment on observations or add your own so you can show us what your child is doing outside the school day – weekend trips, exciting learning opportunities, achievements at home.

# HOW DO WE PLAN TO USE IT?

- Significant observations will be added by staff to Tapestry as appropriate
- They will focus mainly on child-initiated learning
- Sometimes we will include whole class events/experiences

# SAFETY

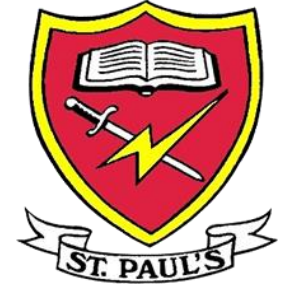

- Conforms to high safety standards
- Run by secure servers
- Content can only be viewed by staff with a log in
- ICT helpdesk can only access profiles to fix technical issues if granted permission by the school
- Tapestry policy 'Privacy, Security and Back up' is available on the Tapestry website
