

AFTER SCHOOL ART & CRAFT WORKSHOPS

Do you want to encourage less screen time and more creative time? Is your child a budding artist? Dive into an adventure of fun and creativity, exploring diverse and thrilling art and craft techniques at St. Paul's Primary School!

FOR CHILDREN YEAR 3 + (AGE 7+)

Kids will sculpt, mould, and paint unique creations, exploring texture and creativity hands-on.

Kids will explore colours and textures in our painting projects, creating vibrant artworks.

Kids will design and construct paper creations, enhancing their creativity and fine motor skills.

Crafting boosts creativity, mindfulness, reduces stress, and provides a sense of accomplishment!
